We are really excited about welcoming you to Sparright Equestrian on Sunday. For those who haven't been before please use the following post code RH20 2ER or what3words regaining.cleanest.turns

Arrive in time to join your cross country course walk with Ken Spencer (either 8.45 or 9.30) followed by your show jumping course walk with AB Williams (either 9.15 or 10.00) then head to dressage to warm up and ride your test at the given time. Once you've chatted to the judge Tiffany Tasney please head to show jumping then on to cross country. By all means change tack if necessary but there is no need to hang around at your vehicle between disciplines.

The Sizzling Herd by Syd is coming along to keep energy levels up, please do support if you can as Syd is kindly joining us despite the low numbers.

There are a few gaps and we've opened up the chance to ride a long arena dressage test for £25 if anyone has qualified for champs and would like the benefit of the judge, a long arena and the opportunity of having it organised for them! Email catherine@sparright.co.uk to register an interest.
