

Solihull Riding Club Hack and Snack Fun Ride

Saturday 26th April 2025

10am-2pm

This is a self-stewarded event. The ride will be open from 10am.

The café will be closed from 2pm so you will **need to ensure you collect your slice of cake before 2pm.**

The office will be open for any queries.

The start of the boundary ride begins from the 4th arena at the bottom of the main carpark. Follow the yellow rope which takes you to the first water crossing. From that point, you are free to roam the site whichever way you desire! On the way back, you need to cross the river again, at the 2nd river point, and follow the red rope back which takes behind the main building back to the carpark.

Please be mindful of other riders, passing each other at walk only. There is no access to the main XC course.

There is a map at the start of the ride.

Have fun!
